

# Paragraph Structure

There have undoubtedly been significant changes in the field of technology over the last century. An obvious example of this is the development of communications technology, namely the internet. In the past people had to rely on the postal service, which could take weeks or even months to deliver a message, whereas nowadays messages are sent in the blink of an eye. Furthermore, the emergence of low-cost airlines has transformed flying from a luxury reserved only for the rich to an accessible means of transport for all.

1. Topic sentences to introduce topic of the paragraph.
2. Give examples to support topic sentence.
3. Explanation of example.
4. Introduce second example or contrast.
